www.magicaleventsltd.co.uk

A warm welcome from us at Magical Events Ltd

We are so pleased that you are here and we would love the opportunity to show you what our award winning company has to offer – We love what we do and the end results are truly Magical.

Our company is able to offer some of the best temporary event structures in the form of our Giant Hat Tipis and Bell Tents. If you are looking for something other than your traditional white marquee then you are most certainly looking in the right place.

Please take a moment to browse through our brochure to see the wonderful things that we have to offer and when you are ready just drop us a line to discuss your needs – We look forward to hearing from you!

If you feel there is something missing from our selection of items, please do let us know as we always like to hear your ideas.

We can help you create a magnificent event that you and all of your guests will never forget.

Each of our Tipis can seat up to 80 guests!!

Take a seat!

We have numerous options to help make your event one to remember. You can choose from our vintage themed chill-out furniture which will help to create a really cosy area for your guests to kick back and relax. This consists of 2 x Chesterfield Sofas, 2 x Chesterfield Armchairs and 2 x Wooden Ammo boxes to be used as coffee tables.

We also offer our wonderful handmade tables and benches – These have been made from reclaimed wood and produced by a very talented local carpenter. Our tables and benches add to the charm of our Giant Hat Tipis and we think you will struggle to find such well made items anywhere else.

Need a drink?

Well our handmade bar area is the perfect place for you and your guests to get one! Similar to our tables and benches, our wooden bar has been handmade from reclaimed wood to the same standard.

Why not make the most of these Magical Tipis – As they are of a similar style to an original Tipi, you are able to have an open fire inside to create a wonderful, warm focal point!

Need a place to rest?

We have a large stock of these lovely little Bell Tents (well they're not that small!), they are actually 5 metres in diameter giving you space for up to 6 people, although it's more comfortable for 4 sharing!

If you are looking for your honeymoon accommodation, why not choose our honeymoon suite with full size bed frame and mattress!! You can opt to have your Bell Tents fully furnished or just as a bare shell - Contact us to discuss your preferences!

**We have a great range of lighting effects
to illuminate our Giant Hat Tipis**
